

GLOBWOOD COOPERATION

Forging strong partnerships and acting
as the vital integrating link in the European timber trade

Unlocking Central Europe's Potential

- **ABUNDANT RESOURCES:** Over 40% of the nation is forested, providing a highly sustainable and rich reserve.
- **PREMIUM QUALITY:** The Carpathian woods naturally yield premium-grade beech, oak, spruce, and fir.
- **INDUSTRIAL BASE:** We operate within a highly developed, modern wood-processing infrastructure.
- **EXPORT DRIVEN:** Delivering an exceptional annual sawn timber output with a massive export focus across the EU (Poland, Czechia, Austria).

Our Strategic Value Proposition

INTEGRATED LOGISTICS

Delivering end-to-end supply chain mastery built on years of crossborder trade experience and established relationships.

DIVERSE PORTFOLIO

Highly adaptable product offerings customized to customer needs, covering both interior and exterior market demands.

GLOBAL REACH

Expanding beyond EU borders, maintaining a robust network of trusted global partners, extending all the way to Asian markets.

Sawn Timber Specifications

We supply high-grade raw timber ready for immediate sawmill processing and specialized lumber production, scaled perfectly for your industrial needs.

Cutting (mm)	Invoice (mm)	Length (mm)
20 × 80	18 × 77	3985
38 × 58	36 × 55	3985
58 × 58	55 × 55	3985
38 × 80	36 × 77	3985
80 × 80	77 × 77	3985
38 × 178	36 × 174	3985
38 × 78	36 × 75	3985
44 × 94	42 × 91	3985
78 × 78	75 × 75	3985

High-Capacity Timber Storage

Our expansive facilities process and handle massive volumes of accurately sorted and treated wood products, ensuring readiness for immediate dispatch.

3-ply Shuttering Panels

Specifications

High-durability three-layer bonded panels ideal for demanding construction frameworks and specialized furniture applications.

- **21 MM STANDARD:** 100 pcs. per package (approx. 9.45 kg/m²)
- **21 MM WITH E-PROFILE:** 100 pcs. per package (approx. 10.05 kg/m²)
- **27 MM HEAVY DUTY:** 80 pcs. per package (approx. 12.70 kg/m²)

FLEXIBLE LENGTHS: Available in 1500 mm, 2000 mm, 2500 mm, and 3000 mm (Width: 500 mm).

The Vital Supply Chain Link

A crucial integrating link in the logistics and business concept in the supply chain from raw material to customer, Globwood functions as the master integrator, seamlessly managing the logistics and trade flows from the initial raw material down to the final consumer.
